

CITY OF KNOXVILLE, TENNESSEE

City Council

AGENDA INFORMATION SHEET

AGENDA DATE: April 29, 2025

DEPARTMENT: Engineering Department

DIRECTOR or DESIGNEE: Tom Clabo

AGENDA SUMMARY

A Resolution authorizing the Mayor to execute an agreement with Gresham Smith, Inc. to provide professional engineering design services for the Boyd's Bridge Pike Bridge Repair Project in an amount not to exceed \$105,000.00.

COUNCIL DISTRICT(S) AFFECTED

6th

BACKGROUND

The City of Knoxville submitted a request for Letters of Interest from professional engineering consulting services to identify preventative bridge maintenance measures and minor structural repairs necessary to extend the service life of this steel truss bridge. The City is using a two-phase design approach to effecting maintenance and minor repairs. Phase 1 provided for field inspection including traffic control, identification of minor structural repairs necessary by type and location on the bridge, and generation of budgetary-level cost estimates. Phase 1 of design was completed in November 2024. Upon direction by the Engineering Department as to which preventative maintenance and minor structural repairs to proceed with, Gresham Smith, Inc. submitted the attached scope & fee proposal for Phase 2 for engineering design services to complete the construction plans and bid documents.

ESTIMATED PROJECT SCHEDULE

All work is to be complete by September 30, 2026.

PRIOR ACTION/REVIEW

9/17/2024 R-246-2024 Approval for Phase 1 professional engineering services

FISCAL INFORMATION

This engineering consulting contract will be funded by the Bridge Maintenance Program (ENG PROJECT 233001).
