**AGENDA INFORMATION SHEET**

---

**AGENDA DATE:** February 18, 2025  
**DEPARTMENT:** Engineering Department  
**DIRECTOR or DESIGNEE:** Tom Clabo

---

**AGENDA SUMMARY**

A Resolution authorizing the Mayor to execute an agreement with CDM Smith, Inc. in an amount not to exceed \$2,206,000.00 to provide professional services for Phase II of the Stormwater Asset Management Project.

**COUNCIL DISTRICT(S) AFFECTED**

All Districts

**BACKGROUND**

This contract will implement the next phase of the Stormwater Asset Management Project. The original estimate of assets was based off of an existing dataset with no practical way to determine the full extent of the data collection work. This contract will allow for the capture of the additional unknown assets for a more complete database. This project is part of the non-competitive ARPA grant awarded by TDEC, and they have approved the additional grant budget for this contract. Completion of the asset management project is a condition of the grant.

**ESTIMATED PROJECT SCHEDULE**

The contract term will begin upon execution and continue to March 1, 2026.

**PRIOR ACTION/REVIEW**

July 26, 2022 - City Council approved resolution R-219-2022 authorizing the contract with CDM Smith, Inc. for the Stormwater Asset Management Project. The exhibits to the original contract are also included in this contract.

**FISCAL INFORMATION**

This project and amendment is funded through the ARPA and TDEC ARPA grant funding with a local match of 15%.
