MINUTE BOOK: _____ PAGE _____

WHEREAS, the City of Knoxville (the “City”) is undertaking a Stormwater Asset Management Project (the “Project”); and

WHEREAS, the Project provides for a comprehensive assessment of all stormwater assets within the City rights-of-way and involves development of a stormwater map for the City based on in-field GPS data collection, stormwater asset mapping, and records research resulting in a detailed stormwater system Geographic Information System (GIS) database that will be used to support more effective stormwater asset management, maintenance, and planning; and

WHEREAS, the City previously contracted with CDM Smith, Inc. (“Consultant”) for the Project; and

WHEREAS, once the Project was underway, it was evident that there were many more assets than originally accounted for on the Knoxville, Knox County, Knoxville Utilities Board Geographic Information System (KGIS); and

WHEREAS, the City desires to enter into Phase II of the Project to expand the data collection to the remaining unmapped areas of the City and include a database integration task that incorporates the City’s private drainage infrastructure layer into the citywide GIS dataset; and

WHEREAS, the result of this process will be a stormwater system mapping that will be used to support more effective stormwater asset management, maintenance, and planning; and

WHEREAS, given the work already completed by the Consultant on the Project, Consultant is uniquely qualified to perform Phase II of the Project; and

WHEREAS, after review of Consultant’s scope of services and fee for Phase II, the City desires to enter into an Agreement with Consultant in an amount not to exceed Two Million Two Hundred Six Thousand and 00/100 Dollars (\$2,206,000.00).

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF KNOXVILLE:

SECTION 1: The Mayor of the City of Knoxville is hereby authorized to execute an agreement, in substantially the same form as the agreement attached hereto, with CDM Smith, Inc. to provide professional engineering services for Phase II of the Stormwater

Asset Management Project for a total amount not to exceed Two Million Two Hundred Six Thousand and 00/100 Dollars (\$2,206,000.00) as set forth in the contract documents.

SECTION 2: This Resolution shall take effect from and after its passage, the welfare of the City requiring it.
