## EASEMENT AGREEMENT

This Agreement is entered into on the \_\_\_\_\_ day of \_\_\_\_\_ 2025, by and between the **City of Knoxville**, Tennessee, a municipal corporation organized and existing under the laws of the State of Tennessee, 400 Main Street, P.O. Box 1631, Knoxville, Tennessee 37901, (hereinafter referred to as the "City") and **Marble Alley Development, LLC**, owner of the real property located at 400 State Street, in Knoxville, Tennessee ("Owner," which expression shall include successors and assigns) whose mailing address is 110 W Summit Hill Drive, Knoxville, TN 37902.

### WITNESSETH:

**WHEREAS**, Owner wishes to improve the real property located at 400 State Street, in Knoxville, Tennessee by constructing a multi-story residential apartment building ("Building.") The Building is located within City Block 05024, of the City of Knoxville, Tennessee, and further identified as CLT # 095IA020 ("Property"); and

**WHEREAS**, Marble Alley Development, LLC acquired fee title to 400 State Street by Quitclaim Deed dated December 20, 2025, from Knox County, Tennessee, as recorded in the Knox County Register of Deeds Office, as Instrument Number 202212210036146; and

**WHEREAS**, Owner has requested that the City permit it to construct certain encroachments at the perimeter of Property within the public right-of-way; and

**WHEREAS**, all private uses within the right-of-way are subject to approval by City Council; and

**WHEREAS**, Knoxville City Council has approved the terms of this Agreement by Resolution R-\_\_\_\_\_ on April 29, 2025.

**NOW, THEREFORE**, in consideration of the covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and Owner agree as follows:

1. The City hereby grants and conveys to Owner a permanent easement for construction, operation, inspection, maintenance, repair and replacement of the following Building features, all of which are more particularly shown on the attached Exhibit A:

A. Residential balconies along the public right-of-way for State Street. These balconies may encroach into the right-of-way to a maximum protrusion of three feet, eight inches, with a 15-foot minimum clearance of the lowest balcony from the sidewalk grade; and

B. Dryer vents protruding from the side of the Building to extend no more than four inches into the public right-of-way.

C. Hand Rails installed on the Building to extend no more than four inches into the right-of-way.

2. Record. A fully-executed copy of this easement will be available in the Office of the City Recorder after the Agreement has been recorded at the Knox County Register of Deeds Office.

3. Maintenance. Owner shall maintain the Building in such a manner that the features within the encroachment are kept in a good, safe and sanitary condition at the sole cost, risk and responsibility of Owner. Owner shall ensure that balconies are kept in a clean and sanitary condition. Should the Building become a hazard to the public use of the right-of-way, or the balconies become a risk to pedestrians, this Easement Agreement may be terminated upon 90 days' written notice by the City to the responsible property owner shown on the property tax records at that time.

4. Indemnity. Owner shall defend, indemnify, and hold harmless the City, its agents, employees, successors and assigns, from any and all claims, liabilities, actions, demands, personal injuries, death, or property damage resulting from or arising out of the use or presence of the easements and encroachments granted herein. Owner shall indemnify the City as to all actions, uses, storage, maintenance, and negligence of apartment tenants, owners, or guests on the balconies. Owner shall indemnify the City as to any object or liquid thrown or dropped from the balconies, whether purposefully or inadvertently. This indemnification provision includes all costs, counsel fees, expenses and liabilities incurred in connection with any such claim(s). If any such action or proceeding is brought against the City by reason of any such claim, Owner agrees upon notice from the City to resist or defend such action or proceeding at the Owner's sole expense. Owner further agrees to pay any and all costs incurred by the City to enforce this indemnity and defense provision.

5. City Right-of-Way. Whatever rights and obligations were acquired by the City with respect to the State Street right-of-way shall remain and continue in full force and effect. The City right-of-way shall in no way be affected by the City's grant of the permissions herein. Owner acknowledges that installation or improvements to the City right-of-way were not intended to provide any benefit to the Building or Property. Owner further acknowledges the City has no responsibility to maintain the rights-of-way in a manner or condition acceptable to Owner or conducive to Owner's use of the easement areas herein.

6. Damages to Right-of-Way. The Owner will be responsible for damages that may be sustained to the rights-of-way arising out of the uses permitted herein, and upon request, must immediately restore the rights-of-way to the specifications of the City.

7. Binding Effect. The rights granted herein shall be appurtenant to and run with the Property and remain in full force and effect with respect to any subsequent owner or assignee of the Property, subject to the limitations on such rights as are herein set forth.

8. Notices. All notices, requests, demands and other communications permitted under this Agreement shall be in writing and shall be deemed to have been duly given, made and received when actually delivered personally, or as of the postmarked date such written notice is deposited in the United States Mail, certified, postage prepaid, return receipt requested and addressed as follows:
