HOLLEROO

5/17/2025

The **Server Compliance Plan** for Holleroo is as follows:

- We plan on using trained bartenders instead of volunteers so they will be more familiar with signs of risk, be able to curtail underage drinking and deny those who are intoxicated. They will also have practical experience in terms of denying initial service.
- We will have a training session for all bar staff and ancillary staff positions.
- We will have appropriate signage letting attendees know the laws and regulations for purchasing alcohol on site. We will also have signage that states that attendees may be checked more than once for their ID.
- We will have a separate ID checking stand where we will distribute over 21 wristbands. This will be clearly designated as well as having bartenders check IDs when applicable .
We want to have two opportunities to check when needed.
- We also plan on having door guys who do this as an occupation to help out with fake IDs.
- A certified and insured security company will be on site to ensure as much safety as possible for everyone on site.
