- **Approve the I-MU (Industrial Mixed-Use) district because it is consistent with the intent of the district and adopted plans for the area. The HP (Hillside Protection Overlay) would be retained.**

**COMMENTS:**

PURSUANT TO THE GENERAL PLAN, PLANNING FRAMEWORK CHAPTER, THE PLANNING COMMISSION RESERVES THE AUTHORITY TO RECOMMEND LAND USE PLAN CHANGES BASED ON SUBSTANTIALLY CHANGED CONDITIONS. SUBSTANTIALLY CHANGED CONDITIONS INCLUDE (may meet any of these):

INTRODUCTION OF SIGNIFICANT NEW ROADS OR UTILITIES THAT WERE NOT ANTICIPATED IN THE PLAN AND MAKE DEVELOPMENT MORE FEASIBLE:

1. The Sevier Avenue Roadway Project is currently under construction. It will provide a new intersection roundabout, a railroad crossing, and drainage and streetscape improvements. This will be paired with the Sevier Avenue Utility Conduit & Duct Bank Project to transition overhead utilities underground. These capital improvements will benefit the South Waterfront area, which includes the subject property.
2. These major public infrastructure projects support the requested SWMUD II (South Waterfront Mixed Use Special District Type 2) land use classification, which is intended to allow a diverse range of uses and development intensities as an extension of the South Waterfront Form-Based Code (Article 7.1).

AN OBVIOUS OR SIGNIFICANT ERROR OR OMISSION IN THE PLAN:

1. The South City Sector Plan and the One Year Plan are currently not aligned on this property. Most of the subject property is designated as MU-SD, SC-2, which is a Mixed-Use Special District for a "Potential Addition to the South Waterfront District," and two of the lots are designated as LDR (Low Density Residential). The One Year Plan classification for the entire property is SWMUD II, which is a more contemporary classification for the expansion of South Waterfront development. The requested sector plan amendment will correct this misalignment.

CHANGES IN GOVERNMENT POLICY, SUCH AS A DECISION TO CONCENTRATE DEVELOPMENT IN CERTAIN AREAS:

1. The SWMUD II land use classification reflects the City's decision to accommodate more intensive development in the South Waterfront community commensurate with infrastructure improvements and growing amenities.

TRENDS IN DEVELOPMENT, POPULATION OR TRAFFIC THAT WARRANT RECONSIDERATION OF THE ORIGINAL PLAN PROPOSAL:

1. The South Waterfront community is one of the fastest developing areas of the City. This is due in part to the form-based code, which emphasizes building design and mixed-use pedestrian orientation consistent with the South Waterfront Vision Plan over specific uses.

PURSUANT TO THE CITY OF KNOXVILLE ZONING ORDINANCE, SECTION 16.1.E, ALL OF THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS:

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. The South Waterfront community is one of the fastest growing areas of the City in terms of population increase and building construction. What has historically been a center of industrial activity utilizing the Tennessee River is transitioning rapidly with more residential and service-oriented commercial development. The adoption of the South Waterfront Vision Plan in 2006 and the creation of a form-based code to implement it has had a major influence on the transition away from industrial uses.
2. The requested downzoning from the I-G (General Industrial) district to the I-MU (Industrial Mixed-Use) district is consistent with this area's overall shift from legacy industrial activity towards more intensive residential and commercial development.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The I-MU district is intended to provide for a mix of light industrial uses and a variety of compatible commercial uses such as entertainment, amusement and retail establishments. This mix is designed to promote the reuse of older, character-giving structures that may no longer be suitable for their original industrial purposes, but that can accommodate a variety of alternative types of uses. Residential uses are also permitted in the I-MU District, both above the ground floor in mixed-use development, and in multi-family dwellings.
2. The subject property is comprised of eight lots, the largest two of which have operated as a construction company for many decades. The historic brick Roehl Construction Company office building remains on Atchley Street and aligns with the architecturally significant commercial and office buildings across the street. The subject property is otherwise surrounded by single-family and duplex residences. This context is consistent with the intent of the I-MU district as a way to retain industrial structures while transitioning to lighter commercial and residential uses compatible with surrounding development.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE CITY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT.

1. The existing I-G district permits a range of uses that could have an adverse impact on surrounding properties with noxious fumes, noise, and trucking activity. This request for a lighter, mixed-use industrial district will better protect the surrounding environment and is not anticipated to have an adverse impact.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE KNOXVILLE-KNOX COUNTY GENERAL PLAN AND ITS COMPONENT PARTS, INCLUDING ADOPTED SECTOR PLANS, CORRIDOR PLANS, AND RELATED DOCUMENTS.

1. The I-MU district is consistent with the One Year Plan's SWMUD II (South Waterfront Mixed Use District Type 2) land use classification and the South City Sector Plan as amended to SWMUD II.
2. This rezoning is also compatible with the South Waterfront Vision Plan's intent to honor its industrial and workforce heritage while developing in a way that will support residential and market expansion.

ADEQUATE PUBLIC FACILITIES ARE AVAILABLE INCLUDING, BUT NOT LIMITED TO, SCHOOLS, PARKS, POLICE AND FIRE PROTECTION, ROADS, SANITARY SEWERS, AND WATER LINES, OR ARE REASONABLY CAPABLE OF BEING PROVIDED PRIOR TO THE DEVELOPMENT OF THE SUBJECT PROPERTY IF THE AMENDMENT WERE ADOPTED:

1. This property is in an urbanized area with ample infrastructure capacity to accommodate future development. There are also numerous capital improvements underway to update road and utility infrastructure in this area.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

Schools affected by this proposal: South Knoxville Elementary, South Doyle Middle, and South Doyle High.

If approved, this item will be forwarded to Knoxville City Council for action on 4/1/2025 and 4/29/2025. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knoxville City Council. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 15 days to appeal a Planning Commission decision in the City.
