HISTORY OF ZONING REQUESTS: In 2012 the property was rezoned from R-1 (Low Density Residential) to O-1 (Office, Medical, and Related Services) (11-A-12-RZ).
SURROUNDING LAND USE, PLAN DESIGNATION, ZONING
North: Single family residential, agriculture/forestry/vacant land - MU-SD/EC-4 (East Town Center Mall Area) - RN-1 (Single-Family Residential Neighborhood)
South: Single family residential - LDR (Low Density Residential), HP (Hillside Protection) - RN-1 (Single-Family Residential Neighborhood), HP (Hillside Protection Overlay)
East: Single family residential - O (Office), LDR (Low Density Residential) - RN-1 (Single-Family Residential Neighborhood)
West: Agriculture/forestry/vacant land - O (Office) - O (Office)

NEIGHBORHOOD CONTEXT: The subject property is in a residential area adjacent to the commercial node along South Mall Road. I-640 and the Amazon warehouse are just to the north, and there are primarily single family residential uses to the south, along with Spring Hill Elementary School.

STAFF RECOMMENDATION:

- ▶ **Approve the MDR (Medium Density Residential) land use classification because it is consistent with the surrounding development.**

- ▶ **Approve the RN-4 (Medium Density Residential) district because it is consistent with the recommended land use classification and supported by available infrastructure and amenities.**

COMMENTS:

PURSUANT TO THE CITY OF KNOXVILLE ONE YEAR PLAN, CHAPTER 1, PLAN AMENDMENT, ONE OF THE FOLLOWING CRITERIA MUST BE MET FOR ALL ONE YEAR PLAN AMENDMENTS (may meet any of these):

AN ERROR IN THE PLAN:

1. There are no apparent errors or omissions in the One Year Plan with regard to the requested MDR classification here. However, the O classifications on the south side of Millertown Pike are not reflective of the existing land uses and the MDR classification would be suitable for this residential area.

A SIGNIFICANT CHANGE IN THE DEVELOPMENT PATTERN, OR THE COMPLETION OF A PUBLIC IMPROVEMENT (ROAD, PARK, SEWER), WHICH CHANGES THE BASIS ON WHICH THE PLAN WAS DEVELOPED FOR AN AREA:

1. The property is located near a regional commercial and employment node to the northeast. The most significant change in the development pattern of this area is the construction of Amazon warehouse on the north side of I-640 which is a major employment center and would support additional housing in the area. The immediate vicinity has been experiencing residential growth in recent years. Examples of this include a 160-unit apartment complex that is under-construction near the I-640 interchange at Millertown Pike, a 156-unit apartment complex on the west side of Washington Pike, and an RN-4 rezoning and two duplex developments on three parcels located within 0.25 miles to the southwest.

CHANGE IN PUBLIC POLICY, UNANTICIPATED BY THE PLAN:

1. There are no known public policy changes pertaining to the subject property and its land use designation.

NEW INFORMATION (INCLUDING NEW PLANS AND STUDIES PRODUCED BY KNOXVILLE-KNOX COUNTY PLANNING) BECOMING AVAILABLE, WHICH REVEALS THE NEED FOR A PLAN AMENDMENT:

1. There are no new studies or plans specific to the MDR land use that apply to this request.

OTHER CONSIDERATIONS:

1. The property meets the location criteria of the MDR classification. It is located on a minor arterial street served by transit, has less than 15% slope for almost its entirety, and is within a mile of public activity centers, including Spring Hill Elementary, Richard Yoakley, and Knoxville Baptist schools, the Alice Bell Park, and several community-serving commercial amenities.

PURSUANT TO THE CITY OF KNOXVILLE ZONING ORDINANCE, SECTION 16.1.E, ALL OF THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS:

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. Between 2021-24, Amazon constructed a large warehouse redeveloping the former East Towne Mall site 0.50 miles north of the subject property.
2. Besides several other nonresidential developments at this commercial and employment node to the northeast, the area is experiencing modest residential growth as well, including the 160-unit Emerald Knoxville apartment complex near the I-640 interchange at Millertown Pike (currently under construction) and the 156-

unit The Jewel multifamily development on the west side of Washington Pike (constructed between 2022-2024).

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The RN-4 district is intended to accommodate mixed medium density residential development including single-family houses, duplexes, townhouses, and small-scale multi-family structures. Townhouse and multi-family development must be approved by Planning staff via administrative review or by the Planning Commission via Special Use, as outlined in Section 4.2.B. of the zoning ordinance.
2. The area has a mix of low and medium density residential uses as well as commercial uses. There are several large multifamily developments to the west within 0.7 miles and the area meets the intent of the RN-4 district.
3. The RN-4 zone has a maximum lot size restriction of 40,000 sq ft for multi-family dwellings. The subject property is approximately 2.15 acres so it would need to be subdivided for any multi-family development that exceeds 20 units.
4. Rezoning should be based on the entire range of uses allowed within a zone to ensure that any development brought forth at a future time would be compatible with the surrounding land uses.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE CITY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT.

1. The proposed amendment is not expected to have any significant adverse impact on the surrounding area that accommodates mostly single family houses. Townhouse and multi-family dwellings would either require a staff level review or special use approval, based on the development form and number of dwelling units.
2. If multi-family development is pursued on this property, a 10-ft Class A buffer will be required for any parking lot abutting the residential properties on the east and south. Additional foundation landscaping may also be required.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. Approval of the RN-4 district for this urbanized area served by KUB and transit would be consistent with the General Plan's Development Policy 5.2 that encourages concentration of developments in areas with adequate utilities and infrastructure.
2. The proposed rezoning would be consistent with the recommended MDR land use classification of the sector plan and One Year plan.

ADEQUATE PUBLIC FACILITIES ARE AVAILABLE INCLUDING, BUT NOT LIMITED TO, SCHOOLS, PARKS, POLICE AND FIRE PROTECTION, ROADS, SANITARY SEWERS, AND WATER LINES, OR ARE REASONABLY CAPABLE OF BEING PROVIDED PRIOR TO THE DEVELOPMENT OF THE SUBJECT PROPERTY IF THE AMENDMENT WERE ADOPTED:

1. The property is served by transit services and is close to Spring Hill Elementary, Richard Yoakley, and Knoxville Baptist schools, the Alice Bell Park, and several community-serving commercial amenities.
2. This is an urbanized area with adequate utility infrastructure provided by KUB.

ESTIMATED TRAFFIC IMPACT: Not required.

ESTIMATED STUDENT YIELD: Not applicable.

Schools affected by this proposal: Spring Hill Elementary, Holston Middle, and Fulton High.

- Potential new school population is estimated using locally-derived data on public school student yield generated by new housing.
- Students are assigned to schools based on current attendance zones as determined by Knox County Schools. Students may request transfers to different zones, and zone boundaries are subject to change.
- Estimates presume full build-out of the proposed development. Build-out is subject to market forces, and timing varies widely from proposal to proposal.
- Student yields from new development do not reflect a net addition of children in schools. Additions occur incrementally over the build-out period. New students may replace current population that ages through the system or moves from the attendance zone.

If approved, this item will be forwarded to Knoxville City Council for action on 5/13/2025 and 5/27/2025. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knoxville City Council. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 15 days to appeal a Planning Commission decision in the City.
